

# Beat Grid Composition

Choose a piece using exciting word rhythms, on a theme of your choice.

Put words into the boxes on the grid below, with more than one word in some boxes.

Longer words can use more than one box (use hyphens to separate syllables)

Leave a few boxes blank (rests) - silence is a great tool! (But not 1st or last box)

1	2	3	4
5	6	7	8
9	10	11	12
13	14	15	16

Add illustrations or notation if you know it (box = one beat)
